NOTICE OF CHANGE IN SMALL ENTITY STATUS UNDER 37CFR1.27

In response to the Notice of Allowance dated August 11, 2010, Applicants wish to notify the United States Patent Office that the above described patent application should no longer be accorded small entity status pursuant to 37 CFR 1.27:

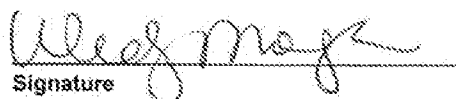

CERTIFICATE OF MAILING/TRANSMISSION (37 C.F.R. section 1.8(a))

I hereby certify that, on the date shown below, this correspondence is being sent via EFS to USPTO.GOV:

Date:

9-14-10

Signature

Wendy Morgan

(type or print name of person certifying)

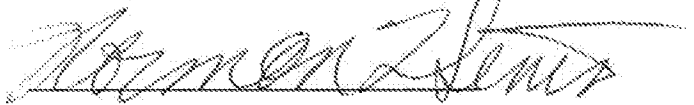

This application was originally filed by Hallmark Technologies, Inc which claimed small entity status. By an assignment dated January 16, 2008 and recorded July 24 2008 (Reel and Frame 021287/0438) the application was assigned to Johnson Controls Technology Company. Johnson Controls Technology Company is not a small entity. Applicants present Assignee respectfully requests change in the status of this application to non-small entity status.

A review of the file found that all fees paid after January 16, 2008 were paid at the large entity fee level. If this is found to be incorrect, authority is hereby granted to charge to the following deposit account any deficiency in fees to correct this. For any deficiencies, please charge Deposit Account No. 50-1097 for any fee which may be due.

This paper is filed concurrently with the payment of the issue fee, which is paid at the large entity fee level.

In the event a representative of the United States Patent and Trademark Office would like to discuss the foregoing, please contact Norman L. Sims at (248)292-2920.
